ASSISTANT PRINCIPAL Candidate Brochure

Our purpose

We are a Montessori school educating children for life and for peace.

Our vision

To be the launchpad for every child to thrive and lead a fulfilling life in ever changing times as stewards of peace and humanity.

INTRODUCTION

From the Principal

The Montessori philosophy is unique. It draws you in and as an educator, once you discover Montessori, there's no going back. It is such an honour to observe students daily who are thriving in their learning environments with staff who are passionate about what they do.

We focus on aligning all we do in our day-to-day practices to support our students in their growth and development, our staff in their passion for education and our parents on their children's journey.

We are lucky to learn surrounded by nature, in prepared environments that are adaptive to support our multi-age approach with ever-evolving social interactions, movement, independence and intellectual rigour.

As a community, we have much to be proud of and much to look forward to. If you are a leader who is passionate about all the possibilities a Montessori school offers, then we would love to hear from you. Join our team as we lead the school into this next exciting stage of development.

Warmest regards

A BRIEF HISTORY Of Forestville Montessori School

Founded in 1981, Forestville Montessori School, affectionately known as FMS, is grounded in delivering authentic Montessori programs. FMS is an independent, non-denominational, not-for-profit school, home to Montessori students from 18 months to 12 years old.

The school opened on its current site in Forestville, on Sydney's beautiful Northern Beaches in January 1981, thanks to a visionary group of parents who wanted a Montessori education for their children.

The commitment and effort of our founders made FMS what it is today!

It's hard to believe that 43 years ago, parents seeking to explore Montessori education in Australia had to look overseas. Our Founders stopped at nothing to make FMS a reality.

Hank Van Gassett travelled to Holland to find our first ever Montessori 6-9 Director. His name was Paul Seibel. Paul trained at The International Centre for Montessori Studies Foundation in Bergamo, Italy, established in 1961 by Mario Montessori, (Maria son), and the first Montessori centre for elementary training (primary years 6-12). FMS's first Pre-School (3-6 Years) Directress was Dorothy Foenander.

Our Founders formed the Peninsula Montessori Society. They joined with other interested parents and together, purchased the land FMS is on today. Prior to this, the space had been a small Catholic school consisting of 4 classrooms.

In no time at all, divisions between the classrooms were removed and the space rearranged as a Prepared Montessori Environment. Over the years, more property was purchased and the rest, as they say, is history - a history we are so proud to be part of today.

A BRIEF HISTORY Of Forestville Montessori School

A Community like no other

The Montessori triangle of parents, staff and students working together for the benefit of all is well and truly alive at FMS. Our Community Team leads a high level of engagement amongst FMS families who are committed to Montessori and to our school. Our Board of Directors work judiciously behind the scenes supporting management and ensuring long-term strategic matters are proactively addressed.

A beautiful environment

Nestled on Sydney's leafy Northern Beaches, FMS is just 16km or a 35-minute drive from Sydney's CBD.

Our campus is immersed in nature. Learning environments are timelessly beautiful with private gardens, outdoor areas, mature trees and organic gardens. These spaces give our students an opportunity to connect with and learn from the natural world. FMS children are actively involved in the care of our gardens, including vegetable patches, as part of our horticulture and environmental program. Our school grounds allow us to share to benefits of dedicated animal care program, with chickens and guinea pigs, a pet lizard and our own school dog highlights of the student experience at FMS.
